

PERFORMANCE CHOICE

BENEFITS

Performance Choice is a great option for you indoor training facility. Performance Choice offers consistent performance after the repeated usage developing athletes require, but with a higher yarn weight for increased durability. The 5 MM foam padding provides cushion and comfort during training sessions. Performance Choice also provides versatility and portability with the optional velcor system that allows you to convert your training facility to meet your daily needs, no matter how they may change.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
