ULTIMATE WORLD SERIES

BENEFITS

This is a field product. This product should be installed outdoors on a compacted aggregate base. Custom designed for baseball with the added durability of the “spike zone”.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
