STI PRO PUTT

BENEFITS

STI Pro Putt is a very versatile product that can be used for numerous applications. This is an excellent putting surface that provides a very realistic roll with natural speed. Pro Putt is also a great product for use on undulated surfaces and portable applications.

It is the policy of Synthetic Turf International to continuously improve their line of products. Therefore, Synthetic Turf International reserves the right to change, modify or discontinue systems, specifications and accessories of all products at any time without notice or obligation to purchaser. These are standard specifications subject to manufacturing tolerances and consumer requests.
